All-wool Suits and Overcoats

PURE WOOL in Clothcraft is proven by actual test. Before the makers can guarantee to you that Clothcraft Clothes are pure wool they must be absolutely sure of it themselves. They make sure by testing the cloth with a chemical which dissolves wool and discloses cotton if present.

Every piece of cloth used in Clothcraft must be able to withstand successfully this severe test. With Clothcraft Clothes you get a signed guarantee, not only of pure wool, but also of lasting shape, good tailoring, satisfactory wear and service.

Yet we can sell you a Clothcraft Suit for as low as \$10.00, not more than \$20 and possibly just what you want at about \$15 or \$18.

The Clothcraft Blue Serge Special No. 4130 at \$18.50 is low in price but high in quality and workmanship. Ask for that number.

A Farewell Reception.

At five o'clock Monday afternoon about fifteen of the ladies of the L. B. S. of the Presbyterian church met at the home of Mrs. Reed and from there proceeded to Mrs. Houghtby's. They took this lady entirely by surprise and unawares as they meant to do, but she quickly recovered and everybody helped get supper with the good things brought along and the meal was thoroughly enjoyed.

Social conversation and music afterward pleasantly passed an hour or two.

The society very much regret to lose Mrs. Houghtby, for although her stay in Yale has been short she has endeared herself to many with her helpful, willing ways and pleasant manner.

The members presented her with a pretty, engraved silver thimble.

The church and Sunday school are also losing faithful workers in both Mr. and Mrs. Houghtby. They are this week moving back to their former home in Carsonville. Good luck and prosperity go with them.

BIG CROWD AT RACES

Weather Is Fine and Those in Attendance See Some of the Best Races Ever Pulled Off in Yale. A Fine Field of Horses Present.

Although the rain interfered with the races Tuesday the weather man favored us with two good days Wednesday and Thursday and the attendance was large both days.

The first day's classes had entries of horses that made each race exciting and interesting and they were horse races from start to finish and every horseman was out to win the money. The second day's program was even better than the first and one more race was given. Those who watched the races closely say that no better races could be given even on the big circuits. A satisfied crowd departed for their homes each day.

The Cornet Band, with Mr. Wilder, of Brown City, as leader discoursed fine music that more than entertained and pleased all.

There was disappointment all around in not having a base ball game for each day but it failed and no excuses are offered. The extra good races pleased the attendance and we trust the lack of having the ball games as advertised will be overlooked.

The judges who acted the first day are:—F. J. Chamberlain, starter; R. B. Nelson and Harry Paisley, time keepers; Geo. W. Belt and A. W. Kelley. Second day, F. J. Chamberlain, starter; R. B. Nelson and Harry Paisley, time keepers; A. W. Kelley and Dell Dawson.

The Riverside Driving Club are much pleased with the success of the meeting and will be ahead financially when all expenses are paid.

Leave For Florida.

On Tuesday evening about thirty members of the M. P. church met at the home of Mr. and Mrs. Ira Goheen to bid farewell to Mr. and Mrs. Alfred Goheen and Mr. and Mrs. Ira Goheen and family who are about to leave for Tampa, Florida. Both families will be greatly missed as they have been faithful christian workers in connection with the church. Alfred being class leader for a number of years, Ira as superintendent of the Sunday school for a number of years.

As the evening advanced Rev. Saxbee presented each with a memento of the occasion in behalf of the church.

Refreshments were served and farewells spoken, all wishing them a pleasant journey and prosperity in their new home.

Mr. Firth's voice is just as grand and great, Miss Jackson's soprano charms and captivates and Mr. Eaton's impersonations are just as funny.

The whole program was a treat the not one who was there would have missed.

Second Visit to Yale

The Francis Firth Concert Co. last Friday evening was not greeted by what you might call an exceedingly large audience. The reserve seats were mostly filled and others scattering.

The weather was perhaps the cause of the absence of many, the heavy rain all day making wet walking, but the evening was clear and more should have taken advantage of hearing this exceptionally fine company.

They visited Yale at the close of last season and were found so good that many wanted to hear them again.

With an entire change of program, the satisfaction was just as general as before.

Mr. Firth's voice is just as grand and great, Miss Jackson's soprano charms and captivates and Mr. Eaton's impersonations are just as funny.

The whole program was a treat the not one who was there would have missed.
